Pages 8-10- 1st Rights Listing: Returning players have the right to sell to their existing customer through Friday October 24. Please review the list and respect it. Customers of last year's seniors are fair game.

Key Action Item: Do Not Hold Onto the Ads until Friday, November 7. Turn them in as soon as possible.

Approximately 75 programs must be complete for the Frozen Creek on November 28. It can be a monumental task to compile the ads, double check, print, and bind 6,000 pages if we are hit with last minute or late ads. Ads submitted after the deadline may not make the Frozen Creek version, but may be published in the Regular Season version.

Other Important Notes

1. Follow ad size information as close as possible. We can try to proportionally scale ads, but quality can be affected by scaling and reserve the right to center add (i.e. add blank space) to maintain a proportional look.
2. Do not staple or otherwise mutilate the Sponsor ads. The scanner is very sensitive and will pickup holes, tears, and folds. Best way to handle a full page ad is to put in 8x10 envelope with cardboard insert to stiff – or submit it in a digital form.
3. Business cards are easy to scan and put into a 1/8 page ad.
4. We can handle just about any file format – JPEG, PDF, PowerPoint, etc. submitted via CD, E-mail, Flash Drive, etc.
5. We can help prepare ads- call John Pugnale at 416-0220 or e-mail at john@mvpvcr.com

Suppliers & season ticket holders will typically receive their free program in the regular season version that contains all of the player photos and team photo in the days around the first home game – Friday, December 19 vs. Alter.

If , for some reason, you would like the Frozen Creek version for your free program, please let Susan Hill know.

2008-2009 BEAVERCREEK VARSITY ICE HOCKEY

Sponsor Support Packet

Membership dues for the Beavercreek Ice Hockey Club for the **2008-2009** season will be \$1,350.00. This is the amount you have to generate for the club. You can either pay this money out of your own pocket, or take advantage of this fundraiser packet by soliciting sponsor support for our two programs – a season program and a Frozen Creek Tournament program.

THIS IS YOUR OPPORTUNITY TO RAISE THE MONEY FOR YOUR DUES WITH JUST A LITTLE BIT OF EFFORT OVER THE FALL, SO THAT YOU DO NOT HAVE TO PAY THEM OUT OF YOUR OWN POCKET. TAKE ADVANTAGE OF IT!!!! All you have to do is turn in the paperwork and the money from your supporters, and you are all done!

The first \$1,350 collected from your sponsors will be split with the club. 60% (\$810) will be applied toward player fees and 40% (\$540) will be deposited into the club's general fund. This assures that the cost of the program production will be covered, providing enough sponsor support is collected. Additional funds collected will help the club with travel, team expenses or building a reserve fund to insure future program needs.

Any support collected over \$1,350 will be applied directly and totally to the player's dues after the money is secured in the club's bank account. To cover club dues completely, a player must collect \$1,890 worth of support. If a player collects more than \$1,890 worth of support, the excess can be credited to the following year, applying the same percentages. In the case of a player not returning the following year, the balance goes to the general fund or may be applied toward the fees of a sibling.

Try selling the \$30 sponsorships, as they are easiest to sell. Ask your family and friends, your local hangout, or your place of employment. Most everyone can afford \$30. Twenty sponsors at \$30 is \$600 applied to your dues. For those of you with bigger goals, the other levels of support will sell better to businesses, especially if you know someone there or have a relationship with an owner.

Those who purchase a full-page ad (\$175), receive two free season tickets to Beavercreek home games – **a value of \$100**. You may want to buy an ad acknowledging your son/daughter and take advantage of getting 60% of the ad price applied toward your dues (and free season tickets for a full-page).

PAPERWORK

Attached are Sponsor Support Forms used to collect information from the supporter, and also provide a receipt for their records. The \$50 and up sponsors should give you an ad slick (black and white copy of their company ad or business card that is easily reproduced). Once you have received the supporter check or money order **payable to: Beavercreek Ice Hockey Boosters Club**, detach the bottom portion and give them the upper portion for their records. Mail the **detached bottom portion**, the **ad slick**, the **money** and **Sponsor Support List** to: Susan Hill (see address below)

The Sponsor Support List should be filled out completely and accurately. (Make sure your name is included.) These forms will act as a cover sheet for all the sponsor support you collect. Each form has space for five sponsors.

As the time frame is very short to complete these two programs, it is important that you do not hold on to your ads for any length of time. Please turn them in ASAP. You may either mail (hard copy or on CD), E-mail, or call Susan to arrange pick up. If your supporter needs help with ad creation please contact John Pugnale at john@mvpcr.com or 937-416-0220.

If you have any questions, please call:

Deadline to
Turn in ads is:

Friday, November 7th

Parents and Players,

Remember for every ad sold the player gets 60% off of his fees

Example: #00 Joe Slapshot

Joe sells

\$30.00 1/16 page Ad
\$50.00 1/8 page Business Card Ad
\$50.00 1/8 page Business Card Ad
\$70.00 1/4 page Ad
\$100.00 1/2 page Ad
\$100.00 1/2 page Ad
\$175.00 full page Ad
\$175.00 full page Ad
\$750.00 Total Sales

Since the total sales are \$750.00, his credit for player fees is \$450.00. Therefore, Joe Slapshot's player fees are reduced from \$1,350.00 to \$900.00.

Remember, when the player's ad sales exceed \$1,350, the player's account will be credited the excess dollar for dollar. To have fees paid in full a player needs to sell \$1,890 worth of ads. Here is the math:

$$\$1,350 \text{ sales} \times 60\% = \$810 \text{ credit} + \$540 \text{ additional sales} = \$1,890$$

ANOTHER THING TO REMEMBER

Every full page ad sold gets 2 season tickets worth \$100.00 and a Free Color Program.

Parents, here is the best deal!

Anyone who buys a full page ad for their player will not only get the \$100.00 Value in two season tickets and a Color Program, they will also get 60% of the Ad.

Example:

| | |
|-----------------------------------|-------------------|
| 60% of Ad Cost off of Player Fees | 105.00 |
| Two season tickets | 100.00 |
| Free Regular Season Color Program | <u>5.00</u> |
| Total Cost | 223.00 |
| Parents buy full page ad | <u>- \$175.00</u> |
| Total Savings | 58.00 |
