**Become A Beaver Creek Varsity Hockey Sponsor!**

The Beaver Creek Varsity hockey team is, and always has been, self-funded (beyond a school-provided stipend for the head coach). Beaver Creek Youth Hockey Association (BYHA) is a non-profit 501(c)3 organization that strives to give back to the community while allowing players the opportunity to be involved in this high cost, high intensity, very rewarding varsity sport.

\*Note: Unfortunately, our traditional dinner after golf is not possible this year due to pandemic limitations.
